

The graph illustrates the relationship between the Contig index and a value. The x-axis is labeled 'Contig index' and ranges from 0 to 2. The y-axis is unlabeled. A dashed black line starts at (0,0) and increases linearly to (1,1). A solid orange line starts at (0,0) and increases linearly to (2,2). A dashed green line starts at (0,0) and increases linearly to (1,1), overlapping the dashed black line.
